#### Section 3 - Annual Financial Accounting

Prior to each Annual Meeting, an independent accountant shall review the books of the Association and the report shall be given to the membership at the Annual

Meeting. The Board President, with Board approval, may elect to have an audit, rather than just a review of the financial records if the level of financial activity is higher than normal, e.g., the Association receives grant funds. If the Association is being audited, and the independent accountant, due to time restraints, is unable to finish the examination prior to the annual meeting, the report given to the membership shall be marked as "Unaudited".

#### Section 4 - Publication

The Association President may email each Board member the proposed action to be voted upon. The Directors' email responses with their vote shall be deemed signed by the Directors and serve as consent in writing. The Association Secretary shall tally the votes and advise the Directors of the outcome. The Secretary shall record the minutes of the actions and submit the minutes to the Board for approval at its next meeting.

#### Section 7- Compensation

Members of the Board of Directors shall not receive any compensation for their services as Directors. Board members, upon approval of the Board, may be compensated for services above and beyond the primary duties of the Board.

The president shall be informed prior to a board meeting for a VLA member to attend a board meeting.

A non VLA member may attend with president approval and at least one other officer. Attendance will be as an observer with no participation (unless asked by a board member). The president shall inform the board of attendance by a non

VLA member at an upcoming board meeting. Any presentation to the board, or personal request for action by the board, by either a VLA member or a non-VLA member, requires prior approval by a majority of a quorum of the full board.

#### Section 10 - Resolutions

A resolution offered at the Annual Meeting shall be made in writing to the Board of Directors. No member shall read or offer for action any motion or communication without first making a general statement on the subject.

#### Section 11 - Amendments to the By-Laws

Any resolution offered to amend the By-Laws shall be made in writing by any member to the Board of Directors. Said resolution shall be discussed by the Board of Directors and communicated to the membership through publication in the official newsletter. Said resolution shall then be discussed and voted upon at the next Annual Meeting.

#### Section 12 - Balloting

Only active members shall be allowed to vote. Voting representation shall be as follows: one (1) vote with household membership; and one (1) vote with business or organization membership. Those members voting shall be considered as constituting a quorum. The President, with Board approval, may elect to mail ballots to the members or include the ballot in the newsletter, enabling members to vote by mail. The ballot may allow members to vote by proxy by assigning their vote to the Board and allowing the Board to vote consistent with its recommendation.

#### Section 13 - Parliamentary Rules

The proceedings of the Association shall be governed according to the latest edition of Robert's Rules of Order.

#### Section 14 - Nomination for Directors
